### **Lafourche Parish Government seeks public input about Tourism Recovery Program**

(Thibodaux, La.) - Lafourche Parish Government invites the public to an open house on the progress of the Tourism Recovery program at 6 p.m., Wednesday, February 8, at the Lafourche Visitors Center, President Charlotte Randolph said today.

Julie Barrilleaux, LPG's Grants and Economic Development special projects coordinator, said that project planners want to find out how the public feels about the "Dig In! Lafourche" campaign.

It will also give parish residents a chance to offer their suggestions about the future of that marketing effort.

The meeting will feature a short video about the campaign which will include its radio commercials, billboards, magazine advertisements and the new "hyperscreen."

Barrilleaux said the parish would especially like to hear from representatives of businesses directly connected to the tourism industry.

Those wishing to attend should contact Barrilleaux at (985) 493-6673 or (800) 834-8832.

The Visitors Center is located under the U.S. Hwy. 90 overpass at 4484 LA. Hwy. 1 in Raceland.
