Volunteers wanted for Lake Fields Cleanup

(Lockport, La.) -- On Saturday March 10, 2012, the Barataria-Terrebonne National Estuary Program will be calling on all volunteers to help clean the Lake Fields Game and Fish Preserve.

The hurricanes of recent years, as well as some careless individuals, have deposited tons of debris and garbage in this fragile ecosystem. It has not only become an eyesore, but it's a danger to much of the resident wildlife which inhabits the area.

Join us on March 10, and help us to restore and protect this diverse wetland area. Lunch will be provided to all volunteers by the Lafourche Parish Game and Fish Commission.

Volunteers with and without vessels are encouraged to participate!!!!
