Office of Community Action Moves to Galliano Government Complex

The Lafourche Parish Office of Community Action opened its new office doors at the new Galliano Government Complex this morning. Community Action joins the offices of Coastal Zone Management, Les Reflections du Bayou and the Lafourche Parish District Attorney who all opened offices at the new location last week. The complex is located in "Suite B" of the South Lafourche Library building which is located along LA Highway 308 in Galliano, just north of the South Lafourche Bridge.

The Galliano Government Complex will also eventually house offices for the Clerk of Court, Registrar of Voters and the Assessor. There will also be offices designated for Veterans' Affairs representatives and for elected officials to meet with constituents when necessary. Further announcements will be made regarding the move of each of these other entities in the coming weeks.

All visitors to the Galliano Government Complex should enter through the main entrance to the South Lafourche Library and proceed toward the double wooden doors to the left.
