### **“Vessels of Opportunity” Program Training Sessions Scheduled for Friday**

Two “Vessels of Opportunity” program training sessions have been scheduled at the South Lafourche Library (16241 E. Main Street, Cut Off) for Friday, June 4 at 8:30 A.M. and at 1:30 P.M.

Each session takes a minimum of 4 hours to complete and is free of charge. Each class is limited in size, so they will be formed on a first-come, first-served basis.

BP’s “Vessels of Opportunity” program is employing local residents to work around Lafourche Parish in response to the Deepwater Horizon oil spill. This training session is required for all captains and deckhands participating in this program.
