Additional Training Opportunities Scheduled for Deck Hands and Beach Clean-up Workers

More local training sessions have been scheduled for residents interested in becoming employed for the response to the Deepwater Horizon oil spill. These training sessions have been scheduled at the Larose VFW Hall (*located at 2322 VFW Ave., just off West 23rd Street in Larose*) on Tuesday, June 22 and Tuesday, June 29. Two sessions will be held each of those days with a morning session beginning at 9:00 A.M. and an afternoon session beginning at 2:00 P.M.

Those interested in working on a beach clean-up crew or as a deck hand on a vessel responding to the spill can attend this free training. Training organizers on site will provide information on how to seek employment in these fields. Residents attending are asked to show up early as these training sessions fill up quickly.

If you have any additional questions, or for more information, please contact the BP Claims Office at (985) 632-1087.
