Relocation of Recycle Bins

Lafourche Parish Government is in the process of relocating designated drop-off sites for recyclable materials. The recycle bins which were previously located in the parking lots of the Wal-Mart SuperCenters located in Mathews and Galliano have been relocated. In Mathews, the bin is now located in the parking lot of the Lafourche Parish Government office (the Old Wal-Mart Building) located at 4876 Highway 1 in Mathews. In Galliano, the bin is now located in the parking lot of the South Lafourche Library located at 16241 Highway 308. The bins are available for use at any time – day and night. Acceptable items include all paper products (newspapers, office papers, cardboard, etc...), all types of plastics, tin cans, aluminum cans and aluminum foil. The program does not include the recycling of any glass items. Residents are not required to sort the items, but they are asked to be sure to place all items inside the bins and not leave any material on the ground.

For further information please contact the Lafourche Parish Government Office of Solid Waste at 1-800-794-3160.
