### **Côte Blanche Pontoon Bridge Re-Opens to Vehicular Traffic**

The Côte Blanche Pontoon Bridge in Cut Off has re-opened to vehicular traffic. Contractors have completed work which included the replacement of both bridge approaches as well as the pontoon barge itself. All of the bridge's electrical and mechanical components have also been upgraded. The bridge was initially closed for repairs on January 20, 2010. The total cost for this project was \$2,758,672.20.

Lafourche Parish Government would like to thank all residents for having patience throughout the repair process.
