Trash Collection Cancelled for Saturday, September 3

The Lafourche Parish Office of Solid Waste has announced that routine trash collection has been cancelled for Saturday, September 3 due to Tropical Storm Lee. Officials will meet again on Sunday to determine the status of trash collection for Monday. Residents are asked to retrieve any garbage cans and NOT keep them by the roadside over the weekend.

The cancellation is specifically due to the threat of continually worsening conditions of high winds and heavy rain throughout the weekend. The safety of motorists and the minimizing of debris are the two main reasons for the cancellation.

Lafourche Parish Government will continue to monitor weather conditions and make a decision on Sunday afternoon as to whether regularly-scheduled trash collection will occur on Monday.
