Thibodaux Recycle Bin Relocated to Acadia Truck Plaza

Lafourche Parish Government has relocated its Thibodaux recycle bin to a new location. The bin is now located along St. Patrick Street in the parking lot of *Acadia Truck Plaza*, which is located at the corner of St. Patrick Street and Highway 308.

Lafourche Parish President Charlotte Randolph thanked business owner Grady Gaubert for cooperating with the parish by allowing the bin to be placed on his property. “We are grateful for Mr. Gaubert’s generosity in this issue,” said Parish President Charlotte Randolph. “It’s obvious that he recognizes the importance of the recycling program and the need to make it convenient for residents. This spirit of cooperation makes Lafourche Parish a wonderful place to live.”

Recycle Bins in Mathews and Galliano were relocated in July. The Mathews bin is now located in the parking lot of the Mathews Government Complex located at 4876 Highway 1. In Galliano, the bin is now located in the parking lot of the Galliano Government Complex located at 16241 Highway 308.

All of these bins are available for use at any time – day and night. Acceptable items include all paper products (newspapers, office papers, cardboard, etc...), all types of plastics, tin cans, aluminum cans and aluminum foil. The program does not include the recycling of any glass items. Residents are not required to sort the items, but they are asked to be sure to place all items inside the bins and not leave any material on the ground.

For further information please contact the Lafourche Parish Government Office of Solid Waste at 1-800-794-3160.
