Recent Rainfall Allows LPG to Lift Suggested “Burn Ban”

With the increased rainfall of the past few weeks, conditions have become less favorable for small, back-yard fires to become uncontrollable. After consulting with fire chiefs from across the parish, Parish President Charlotte Randolph has decided to discontinue the suggested “burn ban” in effect since early April.

“As always, we urge residents to be cautious and vigilant when burning on their property,” said Randolph. Residents wishing to burn materials on their property must contact their local fire chief to obtain a burn permit. Should a fire get out of control, residents should contact 911 Emergency Services immediately.

For further information contact Lee Prosperie at (985) 446-8427.
