LPG Installs Lafourche on the Move Wal-Mart Walking Track

Lafourche Parish Government, in coordination with Wal-Mart Stores, Inc. is happy to announce the opening of a Lafourche on the Move walking track inside the Thibodaux Wal-Mart store. On Wednesday, October 25, workers from Lafourche Parish Government installed floor graphics around a section of the store, mapping out a one-sixth mile path for residents to walk. The track starts on the right-hand side of the store, near the grocery section, and wraps around the entire clothing and house ware sections and returns to the starting point. Walkers who travel around the path six times will have walked one mile.

Wal-Mart manager Rick Wiley said he was excited about the store's involvement with the Lafourche on the Move program. Officials from Lafourche Parish Government and Wal-Mart are discussing holding a future Lafourche on the Move event at the Thibodaux store. There are also plans to involve the Wal-Mart store in Galliano and the future store in Matthews.
