

CHAPTER 8

FRANCHISES*

Sub-Chapter A

In General

Over the years, the Police Jury has granted a number of franchises and right of way permits. Because of the limited need to refer to this legislation and its limited application, the Jury requested that the complete text of these ordinances and resolutions be omitted from this codification, and in lieu thereof, that a simple listing be included to show the persons and firms holding franchises and permits, the source of the legislation and duration of the authority.

Franchises and permits which have expired were not included.

The listing is divided by franchise subject area, and entries listed chronologically.
