Sub-Chapter A

Occupational Licenses, In General

SECTION 13:1. LEVY OF ANNUAL OCCUPATIONAL LICENSE TAX

There is hereby levied an annual license tax, beginning with the year 1988 and for each subsequent year, upon each person pursuing and conducting any business, trade, calling, profession or vocation, within the limits of the Parish of Lafourche, subject to license under the Louisiana Constitution and laws of this state. (Ord. 1772, 7/8/87)

Comment -- Ordinance No. 1772 superseded several earlier ordinances dealing with the occupational license tax. See Ord. No. 1000, 11/12/74 and Ord. No. 1377, 11/11/81. In 1986, the Louisiana Legislature enacted a substantive revision to the statutes authorizing local governments to levy occupational license taxes. See Act No. 1017 of 1986, codified as LRS 47: 341 et seq. That statute also provided that, in order to take advantage of the new authority, local governments had to enact new occupational license ordinances prior to January 1, 1988. Ordinance No. 1772 was enacted by the Lafourche Parish Council in response to this statute.

SECTION 13:2. ADOPTION OF STATE LAWS

A. The amount of the license tax levied in each case is hereby fixed, determined and ordained to be the same as that fixed, levied and collectible by the governing authority under, and shall be granted in accordance with the provisions of Louisiana Revised Statutes, Title 47, Chapter 3, both inclusive, as amended and all other applicable laws, all of which for the purpose of this

(Ord. No. 1772, 7/8/87; as amended by Ord. No. 2160, 10/13/93)

Comment -- In 1981, the state legislature repealed the state occupational license tax law, but authorized local governments to adopt it by reference. Ordinance No. 1377 (11/11/81) was adopted in response to that action. The state laws were again revised in 1986, and Ordinance No. 1772 was adopted in response to that revision. For additional information, see Comment Note following Section 13:1 of this Code.

SECTION 13:3. PAYMENT OF TAX

A. Except as otherwise expressly provided, the first license tax herein authorized to be levied shall be due and payable to the Lafourche Parish Council as follows:

1. In the case of any business which is subject to license under this Chapter, commencing on or after the effective date of this Chapter, the license tax shall be due and payable on such date of commencement.

2. In the case of a business commenced prior to the effective date of this Chapter, the license tax shall be due and payable on January 1, 1988.

B. Annually thereafter all license taxes levied hereunder shall be due and payable on January first of each calendar year for which the license is due, except that for a new business commencing after January first of any calendar year, the first license shall be due and payable on the date the business is commenced.

1. All licenses unpaid after the first day of February of the calendar year for which they are due or, in the case of a new business, unpaid on the date such business is commenced shall be deemed delinquent and subject to the payment of delinquent interest and penalty. Delinquent interest and penalty shall be computed from March first of the calendar year for which they are due.

C. For ongoing businesses which cease operation between January first and the last day of February of the current license year, the license for the year shall be based on their gross receipts for the prior year, divided by three hundred sixty-five and multiplied by the number of days in which they were in operation.

(Ord. No. 2276, 12/14/94)

Comment -- As noted hereinabove, this section and several of the sections that follow were not contained in the parish's ordinance that levied the occupational license tax. They were derived from the state occupational license law. Because the parish's ordinance adopted the state laws concerning this tax by reference, these provisions were included herein for the convenience of the user of this Code. Subsequent thereto, the Parish enacted Ord. No. 2276 on 12/14/94, naming the Lafourche Parish Council as the administrative entity.

§ 13:4

**SECTION 13:4. FAILURE TO MAKE TIMELY RETURNS;
PENALTY AND INTEREST**

A. When any taxpayer fails to make and file any required return at the time such return becomes due, there shall be imposed, in addition to any other penalties provided, a specific penalty to be added to the tax in the amount of five percent (5%) of the tax if the failure is for not more than thirty (30) days, with an additional five percent (5%) for each additional thirty (30) days or fraction thereof during which the failure continues, not to exceed twenty-five (25%) percent of the tax in the aggregate. This specific penalty shall be an obligation to be collected and accounted for in the same manner as if it were part of the tax due, and can be enforced either in a separate action or in the same action for the collection of the tax.

B. When any taxpayer fails to pay any tax due on or before the day when it shall be required by law to be paid, there shall be added to the amount of tax due, interest at the rate of one per centum per month from the due date until paid. If the term for which interest is to be charged exceeds four (4) years, the rate of interest for the period beyond four (4) years shall be reduced to one-half of one per centum per month. Interest shall be an obligation to be collected and accounted for in the same manner as if it were part of the tax due and can be enforced in a separate action or in the same action for collection of the tax, and shall not be waived or remitted. (Rules and Regulations, Louisiana State Department of Revenue)

Comment -- The above section was not contained in the parish's ordinance levying the occupational license tax. It was derived from the published rules and regulations of the Louisiana Department of Revenue. Because the parish's ordinance adopted the Revenue Department's rules and regulations by reference, the above provisions were included herein for the convenience of the user of this Code.

SECTION 13:5. NEW BUSINESS; LICENSE DUE UPON COMMENCEMENT

In the case of a new business, the license tax is due and payable upon commencement of the business. Within forty (40) days after commencing the business, each person shall compute in the manner provided by R.S. 47:348 the balance of the license tax, if any, owed for the year in which the business is started and pay such tax balance. When the business is begun prior to July first of any year, the tentative tax shall be the minimum annual rate for the particular class of business in cases in which the tax is based on gross receipts, sales, fees, premiums or commissions, or the full annual rate in cases in which the tax is based on a specific amount per unit. When the business is begun on or after July first of any year, the tentative tax shall be one-half of the minimum annual rate or the specific amount per unit, as the case may be. (LRS 47:244)

Comment -- See note following Section 13:3.

SECTION 13:6. CHANGE OF OWNERSHIP OR LESSEE

A. The license is issued in the name of the person making application and paying the initial fee and is not transferable or assignable. If, at any time during the license year, a change of ownership takes place, the license period is from January first to the date of sale or exchange of lessee. A "change of ownership" occurs when a business is sold or leased, and does not include changes in partnership or corporate shares.

B. The new owner or lessee shall obtain another business license, as the license issued to the former owner or lessee is not transferable or assignable. The license period for the new owner or lessee covers the date of transfer or ownership or lease to December thirty-first of the license year. The collector shall be notified within ten (10) days when a change is effected. (LRS 47:345)

Comment -- See note following Section 13:3.

SECTION 13:7. SEPARATE LICENSE REQUIRED FOR EACH LOCATION, BASED ON PRIMARY CLASS OF BUSINESS

Except as otherwise provided in this Chapter, only one (1) license shall be required for each place of business, and the license shall be based upon the classification of business which constitutes the major portion of the taxable annual gross sales and receipts. However, any person operating coin vending or weighing machines shall obtain only one (1) license, regardless of the locations of the machines. However, a separate license shall be required for hotels, motels, rooming houses, and boarding houses. Such license shall be in addition to the license tax required if other classes of business are operated in conjunction with the hotel, motel, rooming house, or boarding house.

Comment -- See note following Section 13:3.

SECTION 13:8. PERIOD USED WHERE GROSS RECEIPTS ARE THE MEASURE OF THE LICENSE

A. The basis for determining the amount of the annual licenses provided by this Chapter, where the license is measured by gross receipts shall be as follows:

1. If the business has been conducted previously by the same party, the annual gross receipts, gross fees, or gross commissions earned, whether received or accrued, during the preceding calendar year for which the license is issued shall be the basis for determining the amount of the annual license.

2. If the business is begun during the calendar year for which the license is issued, the license for the year of commencement shall be based on the gross receipts, gross sales, gross premiums, gross fees, or gross commissions earned, regardless of whether received or accrued, during the first thirty (30) days of business, multiplied by the number of months, or major fraction thereof, remaining in the calendar year; however, any business which opens after June thirtieth of the year in question, whose estimated gross receipts for the remainder of the year are less than one-half of the maximum gross revenue allowed in the minimum rate under the classification of the particular business, shall pay for the remainder of the year at one-half the minimum rate.

3. If the business is begun less than thirty (30) days before the end of the calendar year for which the license is to be issued, the tax shall be based on the gross receipts, gross sales, gross premiums, gross fees, or gross commissions earned, regardless of whether received or accrued, during the calendar year; however, one-half of the annual rate shall apply to such businesses whose gross receipts for the period operated during the calendar year is less than one-half of the maximum gross revenue allowed in the minimum rate under the classification of the particular business.

§ 13:8

4. The license tax for the business for the calendar year following that of commencement shall be based on the gross receipts, gross sales, gross premiums, gross fees or gross commissions earned, regardless of whether received or accrued, during the previous year, divided by the number of days in operation during the year of commencement, and multiplied by three hundred sixty-five (365).

B. The date of beginning business for the purpose of this Chapter shall depend upon the type of business involved, and shall be governed by regulations promulgated by the collector of revenue according to law.

(LRS 47:348)

**SECTION 13:9. TAXPAYERS REQUIRED TO KEEP RECORDS;
CONFIDENTIALITY**

A. In general, each person shall keep a reasonable record of his gross receipts, gross fees or commissions, or loans made. This record shall be kept separately for each place of business, and shall be subject to examination and inspection by the collector or his duly authorized assistants.

B. Except as otherwise provided by law, the records and files of the collector or the records and files maintained pursuant to a tax ordinance, excluding ad valorem property taxes and ad valorem property tax assessment rolls, of any political subdivision are confidential and privileged, and no person shall divulge or disclose any information obtained from such records and files except in the administration and enforcement of the tax laws of this state or a political subdivision of this state.

1. No person shall divulge or disclose any information obtained from any examination or inspection of the premises or property of any person in connection with the administration and enforcement of the tax laws of this state or a political subdivision of this state except to the taxing jurisdiction of his employment or, in the case of an already existing independent contractor arrangement, to the contracting taxing jurisdiction.

2. Neither the collector nor any employee engaged in the administration or charged with the custody of any such records or files shall be required to produce any of them for inspection or use in any action or proceeding, except in an action or proceeding in the administration or enforcement of the tax laws of this state or of a political subdivision.

3. Any officer, employee, or agent or any former officer, employee, or agent of any political subdivision of the state who unlawfully discloses any information obtained from a return of a taxpayer or records and files of the collector, contrary to the provisions of this section, shall be guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than ten thousand dollars (\$10,000.00) or be imprisoned for not more than two (2) years, or both.

4. Nothing contained in this section shall be construed to prevent such persons from disclosing a return of a taxpayer or the records of the secretary as authorized by law in any judicial proceeding in which the state or any political subdivision thereof is a party.

(LRS 47:349)

Comment -- See note following Section 13:3 above.

SECTION 13:10. APPLICATION FOR OCCUPATIONAL LICENSE

A. Every person subject to a license tax levied by this Chapter shall apply to the Lafourche Parish Council for a license before the same becomes delinquent, as provided in this Chapter. The application shall state all facts necessary to determine the amount of taxes due under this Chapter.

B. If the Lafourche Parish Council is not satisfied with the facts set forth in the application or for any reason desires to audit the books and records of the taxpayer, the Lafourche Parish Council or any of his authorized assistants may audit and inspect all records of the taxpayer that would have any bearing upon the amount of taxes due under this Chapter.

C. If an individual is an applicant for a license required by this Chapter, the applications must be signed by him; if a partnership or an association of persons, by a member of the firm; and if a corporation, by the proper officer thereof.

D. Any intentional false statement as to any material facts in the application for a license under this Chapter shall constitute a misdemeanor, and any person convicted thereof shall be fined not more than two hundred dollars (\$200.00) or imprisoned for not more than six (6) months, or both.

(Ord. No. 2276, 12/14/94)

Comment -- See note following Section 13:3 above.

SECTION 13:11. FAILURE TO PAY TAX; JUDGMENT PROHIBITING FURTHER PURSUIT OF BUSINESS

Failure to pay the tax levied by this Chapter shall ipso facto, without demand or putting in default, cause the tax, interest, penalties, and costs to become immediately delinquent, and the Lafourche Parish Council is hereby vested with authority, on motion in a court of competent jurisdiction, to take a rule on the delinquent taxpayer to show cause in not less than two (2) or more than ten (10) days, exclusive of holidays, why the delinquent taxpayer should not be ordered to pay the total amount due and owing under this Chapter. This rule may be tried out of term and in chambers and shall always be tried by preference. If the rule is made absolute, the order therein rendered shall be considered a judgment in favor of the municipality or parish. (Ord. No. 2276, 12/14/94)

Comment -- See note following Section 13:3 above.

SECTION 13:12. RECORDS TO BE KEPT BY THE LAFOURCHE PARISH COUNCIL

The Lafourche Parish Council shall keep an accurate record showing the names of every person paying taxes under this Chapter, together with the business pursued, the amount of the license, the date of the collection, and the payment thereof. (Ord. No. 2276, 12/14/94)

SECTION 13:13. VIOLATIONS, PENALTIES

Any person found guilty of violating the provisions of this Sub-Chapter shall be punished in accordance with Section 1:21 of this Code.

Sub-Chapter B

Occupational Licenses, Insurance Companies

SECTION 13:100. LEVY OF OCCUPATIONAL LICENSE ON INSURANCE COMPANIES

A. Pursuant to Section 1076 of Title 22 of the Revised Statutes of Louisiana of 1950, there is hereby levied an annual license tax for the year 1962 and for each subsequent year on each company, society, association, corporation, or firm or individual engaged in the business of issuing any form of insurance policy or contract in the Parish of Lafourche which may now or hereafter be subject to the payment of any license tax for state purposes, as herein provided. (Ord. No. 973, 8/8/62)

Comment -- The tax herein levied is frequently referred to as the insurance occupational license tax, although it is not really that kind of a tax. It is a premium tax, levied under the authority of the state insurance code in Title 22 of the Louisiana Revised Statutes. The occupational license tax authority as contained in Title 47 of the Revised Statutes, and LRS 47:399 exempts insurance companies from the payment of an occupational license fee on the basis that they must pay the premium tax.

SECTION 13:101. INSURANCE LICENSES, COLLECTION PROCEDURE; DATE DUE, DELINQUENT; PENALTIES AND INTEREST

The license tax herein levied shall be due and payable to the Lafourche Parish Council, annually on or before the first day of March. Delinquent licenses shall bear interest at the rate of eight percent (8%) per annum from that date until paid. (Ord. No. 973, 8/8/62; as amended by Ord. No. 2276, 12/14/94)

The maximum license on such business by any company, society, etc., payable by any company, society, association, corporation, firm or individual, shall not exceed twenty-one thousand dollars (\$21,000.00). (Ord. No. 973, 8/8/62)

§ 13:103

First Class: When the gross receipts are not more than five hundred dollars (\$500.00), the license shall be ten dollars (\$10.00).

Second Class: When the gross receipts are not more than one thousand dollars (\$1,000.00), the license shall be twenty dollars (\$20.00).
