In General

SECTION 24:1. SPECIAL DISTRICT BOARDS AND COMMISSIONS, POWER OF POLICE JURY TO ABOLISH AND EXERCISE CONTROLS

The governing authority of local government subdivision shall have general power over any agency heretofore or hereafter created by it, including, without limitation, the power to abolish the agency and require prior approval of any charge or tax levied or bond issued by the agency. (Section 15, Article VI, Louisiana Constitution, 1974)

Comment -- As indicated by the source note, the provisions of the above Section and the section that follows were derived from the 1974 Louisiana Constitution and not from any local ordinance. Because the provisions are self-operative and add to the matters of law herein contained, they were included in this Code at the discretion of the Editor for the convenience of the user.

SECTION 24:2. POWER OF POLICE JURY TO CONSOLIDATE AND MERGE ITSELF INTO ANY SPECIAL DISTRICT; LIMITATIONS AND CONDITIONS; ASSUMPTION OF DEBT

A. A local governmental subdivision may consolidate and merge into itself any special district or local public agency, except a school district, situated and having jurisdiction entirely within the boundaries of the local government subdivision. Upon the consolidation and merger the local governmental subdivision shall succeed to and be vested with all the rights, revenues, resources, jurisdiction, authority, and powers of the special district or local public agency. A consolidation and merge shall become effective only if approved by a majority of the electors voting thereon in the local government subdivision as a whole and by a majority of the electors voting thereon in the affected special district. A local public agency shall be consolidated and merged only if approved by a majority of the electors voting thereon in an election held for that purpose in the local governmental subdivision in which the agency is located.

B. If the special district or local public agency which is consolidated and merged has outstanding indebtedness, the authority provided by this Section shall not be exercised unless provision is made for the assumption of the indebtedness by the governing authority of the local governmental subdivision involved. (Section 16, Article VI, Louisiana Constitution, 1974)

Comment -- See note following Section 24:1.

SECTION 24:3. GOVERNING AUTHORITIES OF PARISHES, POWER TO ABOLISH ENTITIES CREATED; FISCAL, BUDGETARY AND OTHER CONTROLS

A. In any case where the governing authority of any parish or municipality shall have created or established, or shall hereafter create or establish, any board, commission, agency, district, office, government, or any unit having governmental functions, power or authority, such governing authority is hereby authorized to abolish same, and where the creation or establishment required the concurrence of two (2) or more governing authorities, the concurrence of all of them shall be necessary to exercise the authority afforded by this Section; provided, that where any indebtedness of any such board, commission, agency, district, office, government, or any entity whatever having governmental functions, is outstanding, the authority herein provided shall not be exercised until provision is made for the assumption of such indebtedness in the manner provided by law. However, no parish or municipal authority shall abolish any entity pursuant to this Subsection if the creation of that entity is required by state law. Where a parochial or municipal governing authority is given the power to appoint members to boards or commissions, whether presently or hereafter created, the governing authority shall also have the power to remove and replace the members or commissioners.

B. In any case where the governing authority of any parish or municipality shall have created or established, or shall hereafter create or establish, any board, commission, agency, district, office, government of any entity whatever, having governmental functions, power or authority, such governing authority is hereby authorized to provide appropriate budgetary and fiscal controls over said agency or entity. Budgetary and fiscal control shall include, but not be limited to, approval of operating budgets with the right to veto or reduce line items. In addition, no such agency or entity shall exercise any power or authority to submit to the people any proposal to levy any tax or issue any bonds unless the proposal therefor first has been submitted to and been approved by the governing authority of the parish or municipality. The parish or municipality shall exercise such other budgetary and fiscal controls as are necessary and proper to insure the maximum feasible coordination of government on the local level.

§ 24:49

C. Where the provisions of this Part could be interpreted to conflict with the provisions of R.S. 25:211, et seq. relative to parish and municipal libraries and their boards, the provisions of R.S. 25:211 et seq. shall prevail.

D. The provisions of this Part shall not apply to planning commissions, zoning commissions, or ethics commissions.

* * * *

G. Notwithstanding any provisions of law to the contrary, when a board or commission, other than a hospital service district, whether presently created or hereafter created by the governing authority of any parish, exercises governmental functions within a municipality, the governing authority of the municipality shall appoint a member to such board or commission. The governing authority of the municipality shall also have the power to remove and replace such member. The provisions of this Subsection shall not be applicable to parishes with populations of more than four hundred twenty-five thousand persons and less than four hundred seventy-five thousand persons or to parish library boards. (LRS 33:1415).

H. If a board member is being removed by a Councilman for noncompliance be it by pleasure of the Council or just cause for an appointed position, that the board member shall be notified in writing of the proposed removal prior to the meeting at which the consideration of the removal will take place.

Gravity Drainage Districts*

SECTION 24:150. FIFTH WARD GRAVITY DRAINAGE DISTRICT NO. 5 CREATED; BOUNDARIES; DOMICILE; BOARD OF COMMISSIONERS; POWERS AND DUTIES

A. Acting under the authority of Part I, Chapter 7, Title 38 of the Louisiana Revised Statutes of 1950 and other constitutional and statutory authority supplemental thereto, there be and there is hereby created a gravity drainage district within the Parish of Lafourche, Louisiana, which shall comprise and embrace all of that territory within Police Jury Ward No. Five of the Parish of Lafourche, State of Louisiana, as constituted on February 10, 1965.

B. The gravity drainage district hereby created shall be known and is hereby designated as "Fifth Ward Gravity Drainage District No. 5 of the Parish of Lafourche, State of Louisiana", and as thus created, shall constitute a body corporate in law and a political subdivision of the State of Louisiana, and as such, shall have all the rights, powers and privileges granted and conferred by the Constitution and statutes of the State of Louisiana, including the right to incur debt, to issue bonds, and to levy taxes and forced contributions.

C. The gravity drainage district herein created shall be governed and controlled by five (5) commissioners, who shall be the governing authority of the district. These commissioners or their wives must be assessed with real estate in the district to the value of five hundred dollars (\$500.00), or they must be the representatives of some corporation owning lands in the district to the value of five hundred dollars (\$500.00). The representative of a corporation may be an officer of the corporation, or may be some person not connected with the corporation as officer or stockholder, but is designated to represent the corporation by a resolution of the board of directors to that effect. Persons possessing the qualifications, or persons thus designated to represent a corporation, may be drainage commissioners, whether they be residents or non-residents. A drainage commissioner may hold the position of drainage commissioner in two (2) or more drainage districts and may hold these positions in addition to any other office that may be held by him, and the holding of position as drainage commissioner shall not be considered in contemplation of law as dual office holding.

D. The Police Jury shall appoint the five (5) commissioners for the district herein created. Two (2) of the first commissioners so appointed shall be named to serve for terms of two (2) years each, and the other three (3), for terms of four (4) years each. Thereafter, all selections or appointments shall be for the term of four (4) years. The appointment of commissioners by the Police Jury shall be made upon the petition or recommendation of a majority in number of acres or a majority of the resident land owners in the district, provided the district contains forty (40) or less land owners. If more than forty (40) land owners are embraced in the district, the appointment shall be made upon the recommendation of twenty-five (25) of the land owners of the district. Where there is a contest of the appointment of commissioners, the Police Jury shall give the appointment to those commissioners who are recommended by the land owners owning the greatest number of acres of land in the district. In the absence of any petition or recommendation, the Police Jury may appoint commissioners in their discretion.

E. The domicile of the gravity drainage district shall be and is hereby designated as the office of Caldwell Sugars, Ward No. 5, Lafourche Parish, Louisiana.

***Comment** -- For authority and procedure whereby police juries may create gravity drainage districts, see LRS 38:1751 et seq.

§ 24:150

F. A certified copy of the ordinance creating the district shall be published in the official journal of this Police Jury for thirty clear days, as required by Section 1756 of Title 38 of the Louisiana Revised Statutes of 1950 (LRS 38:1756).

(Ord. No. 1007, 2/10/65)

Comment -- Sections 3 and 5 of the ordinance from which the above sections were derived provided for the appointment of the first set of district commissioners. Rather than codify those appointments, the provisions of LRS 38:1758 and 38:1759, which governs the appointment of commissioners, qualifications of members, etc., were inserted instead as Sub-Sections C and D.

Also, the ordinance provided that two (2) of the commissioners were to be appointed by the governor. This was required under LRS 38:1759 as it was written at the time the ordinance was adopted. This statute has since been changed, giving the local governing bodies the authority to appoint all of the commissioners. The language of the source ordinance was therefore modified for this codification and revised based on the provisions of the revised state law.

(Ord. No. 1484, 4/26/84; as amended by Ord. No. 1519, 9/12/84; Ord. No. 1523, 10/25/84; Ord. 1541, 1/24/85; Ord. No. 1880, 6/14/89; Ord. No. 1896, 9/13/89; Ord. No. 1904, 10/26/89; Ord. No. 2319, 6/14/95; Ord. No. 2339, 9/13/95)

Comment -- See LRS 33:9101 et seq. for authority of parish governing authorities to create communications districts.

In Section 3 of Ord. No. 1484 creating the district, the Parish Council opted to create a board of commissioners to govern its affairs, and it also went on to name the seven individuals to serve on this board. Rather than codify those appointments, the editors elected to delete that, and to insert in lieu thereof, the provisions of LRS 33:9103 dealing with the appointment of such boards.

The reader should also note that LRS 33:9103 also provides, in Paragraph E thereof, as follows: "In lieu of appointing a commission, as provided in this Section, the parish governing authority may serve as the governing authority of the district, in which case it shall assume all the powers and duties of the board of commissioners as provided in this Chapter."

The amending ordinances revised the boundaries of the District. As originally adopted, the district included the entire parish. Ordinance No. 1519 removed the area within Ward 10. Ord. No. 1523 further removed the areas within Wards 4, 8 and 9. Ord. No. 1541 removed the area within the corporate limits of the City of Thibodaux, but added back the areas in Wards 4, 8 and 9. The Ward 10 territory, however, remained deleted. Finally, Ord. No. 1880 again broadened the district to include the entire parish.
