CHAPTER I

INTRODUCTION

This Administrative Policy and Procedures Manual has been compiled in order to place Lafourche Parish's administrative policies into a concise, written format for use by supervisors. Each policy sets forth the parish's philosophy and indicates how it is to be implemented; thus, providing a guide to assist supervisory personnel in making consistent decisions.

It is the duty and responsibility of each supervisor to be familiar with and comply with the Administrative Policy and Procedures Manual and to ensure that all policies are adhered to and administered by the staff in a fair and consistent manner. It is also the duty of all department heads to inform their supervisory staff and employees of these policies when applicable, and to keep them informed of any changes in policy as they may occur.

SECTION 1. SCOPE AND COVERAGE:

- 1.1 This Administrative Policy and Procedures Manual shall apply to all unclassified and classified employees within the parish government system. In the event that any policy of this manual conflicts with any regulation of the Civil Service Manual, the Civil Service Rules and Regulations Manual shall prevail for those classified employees.

SECTION 2. DISSEMINATION:

- 2.1 This manual shall be maintained at the administrative office of the LPG and shall be made available to every employee at each Parish Office or Field office, in order that he or she may be informed of his or her rights and privileges and the limitations and responsibilities placed on him or her as an employee. All employees hired after the initial mail-out shall receive a copy of this manual complete with all revisions and addenda upon date of hiring.
- 2.2 Furthermore, all employees and members of the LPG will be informed in writing by the administration of any changes or deviations in the personnel manual approved by the Parish Council within fifteen days of approval.

SECTION 3. PERSONNEL POLICY CHANGES:

- 3.1 The Parish President and Parish Administrator will have the authority and responsibility to amend, delete, or alter in any manner policies or procedures contained herein, due to warranted circumstances, with the approval of the LPC. It is recognized by the Parish President and the Parish Administrator that circumstances arise from time to time that do not fit the mold cast by this manual. This document in its entirety has been designed to accommodate a wide variety of personnel situations but in no way is inclusive of all possible circumstances and situations. The process as described in this section should accommodate differences as they arise. As with any human resources policy manual, this Administrative Policy and Procedures Manual cannot cover the multitude of situations and problems which may occur in the operation of Parish government. Topics not covered, but which by law or custom are not in the best interest of efficient operation will not be condoned simply by the fact that a specific written policy does not exist. The Parish President and/or the Parish Administrator will exercise final authority within the general parameters set forth by the policies in this manual and in matters concerning implementation of new policies as well as interpretation of existing policies of Lafourche Parish Government.

- 3.2 It is also recognized that federal and state statutes on personnel administration take precedence over policy and procedure as expressed in this manual. Every effort has been made to adhere to current statutes, however, if any statutes have been overlooked, it is expressly understood, recognized and agreed upon by the LPC and Appointing Authority that state and federal statutes take precedence and will be adhered to in good faith. Said precedence shall not void this manual in whole, but only in part by correlation.
- 3.3 Each parish department may establish specific departmental work rules, however, such work rules must not be in conflict with either the Lafourche Parish Government Civil Service System Manual or this Administrative Policy and Procedures Manual. Additionally, not department head, or supervisor is authorized to orally modify these policies and procedures, as such verbal modifications will not be binding on the parish.

SECTION 4. PERSONNEL FILES:

- 4.1 It is important that Lafourche Parish Government always have correct and current information about employees. Each employee is responsible for letting the human resources department know immediately if they change their name, address, phone number, or marital status, withholding taxes, etc. Employees may be required to provide original documentation authorizing certain changes. Employees are also to provide their department with an emergency telephone number, as well.
- 4.2 The Human Resources Director shall maintain personnel files on all employees of the LPG. Unless otherwise provided by law, personnel files and information shall be confidential and may not be divulged for purposes not connected with LPG personnel management systems except with written consent of the employee affected.
- 4.3 Nothing herein shall prevent the dissemination of impersonal statistical information or information not protected by the Privacy Act.
- 4.4 An employee shall have a right of reasonable inspection of his or her official personnel file, provided that the employee submits his/her request in advance and providing that the request does not interfere with normal business operations. The Human Resources Director, immediate supervisor, or other designated personnel must be present during the employee's review of the file.
- 4.5 Any employee records maintained by a department head or supervisory personnel are to be held in strictest confidence and secured under lock and key. The only information which should be maintained in such a file is information concerning an employee's work performance for use in compiling the employee's service rating. Private information, such as the employee's social security number is not to be kept in this file.
- 4.6 No employee is allowed to remove or in any way alter the contents of an employee personnel file. If an employee disagrees with any information contained in his or her file, he or she must correct, ask for a deletion of, or write a statement of disagreement with any items in the file.
- 4.7 No employee shall have the right to remove written reprimands from his or her file once all grievance procedures have been followed. This will not prevent the employee from disagreeing with the reprimand and placing said written disagreement in his or her file.
- 4.8 The Human Resources Director shall have the authority to verify employment of employees on telephone inquiries with written authorization only.

CHAPTER II

The Administration will issue a Declaration of Emergency stating that, because of extreme weather or other specified emergency situations, employees shall not report to work except at the request or approval of the Administration. Unless a Declaration of Emergency has been issued, all parish employees are expected to report to work. If the Administration officially directs the closure of the agency due to severe weather or other emergency situations, those persons actually scheduled to work or available for duty (on standby) during the time period of the declaration shall receive the time off without loss of pay, annual leave, or sick leave. The parish realizes that employees must provide for the welfare of their families, and will allow time to do so. However, this will not serve as an acceptable reason for an employee’s failure to report for duty when required.
- 9.9 During an emergency situation, employees may be reassigned to perform other necessary tasks and duties within their ability. Supervision may be provided by someone other than the regular supervisor. It is the duty of the employee to comply with all supervisory instructions.

CHAPTER IV

HOURS OF WORK

SECTION 1 COMPENSATORY TIME - ORDINANCE NO. 3634

1.1 Policy Statement:

It is the policy of Lafourche Parish Government to allow employees to earn Compensatory Leave for time worked above their normal schedule in a work week. Compensatory leave is leave time earned in lieu of cash payment at the straight-time or time and one-half as compensation for overtime worked.

1.2 Policy Objectives:

- a. To ensure that Lafourche Parish Government employees who work overtime are adequately and properly compensated, as provided in the Fair Labor Standards Acts.

1.3 Policy Scope:

This policy applies to all Lafourche Parish Government employees.

1.4 Policy Procedures:

A. Procedure for earning Compensatory Leave

1. Employees in positions that are designated as “Non-Exempt” are eligible to earn compensatory leave on an hour for hour basis for hours worked over 35 hours and up to 40 hours in a work week. Non-exempt employees who work over 40 hours in a work week will earn compensatory time at a rate of one and one-half hours for every overtime hour worked.
2. Employees in positions that are designated as “Exempt” earn compensatory time for any hours worked above their normal work schedule in a work week.
3. No compensatory leave/overtime shall be worked by any Lafourche Parish Government employee with out prior approval of his or her supervisor.
4. Any overtime worked will be reported on the time sheet in the pay period in which it was earned. Employees are responsible for timely submission of overtime hours worked. Written approval by an employee’s supervisor must accompany any request for earned compensatory time.
5. Annual and sick leave taken, whether with or without pay, shall not be counted as hours worked for purposes of determining overtime compensation for “non-exempt” employees.
6. Employees and their supervisors are to minimize the accumulation of compensatory leave. Lafourche Parish Government employees are limited to the accumulation of only 40 hours of compensatory leave.

1.5 EXCEPTIONS:

1. Hours worked during a declared emergency will be compensated in dollars in accordance with the Lafourche Parish Civil Service Guide.

2. Exempt and non-exempt employees will automatically participate in the compensatory leave program in lieu of receiving overtime wages unless they obtain prior written exception from their immediate supervisor. Supervisors must consider the need, budget considerations, and the ability of employees to use compensatory time.
3. Public Works field office employees will be automatically exempt from participation in the compensatory leave program, however, they may opt into the program with prior written supervisor approval.

1.6 Use of Compensatory Leave

1. Supervisors are to ensure that employee leave slips are marked with the appropriate leave category, according to the employee's leave balances.

1.7 Disposition of Compensatory Leave

1. The Appointing Authority may require employees to take all or part of accrued compensatory leave at any time.
2. Upon separation or termination from Lafourche Parish Government, unused compensatory leave earned by non-exempt employees shall be paid at the employee's regular pay rate.
3. Upon separation or termination from Lafourche Parish Government, all unused compensatory leave earned by exempt employees shall be cancelled.
4. Compensatory hours earned by exempt employees in excess of 40 must be used within the pay period earned (flexed) or they are lost.
5. Compensatory hours earned by non-exempt employees in excess of 40 hours will be compensated in wages. Prior written approval for nonexempt employees must include notice that compensation will be in excess of 40 hours.
6. The Parish President shall have the authority to pay for compensatory leave for employees at their regular rate of pay subject to the availability of funds when it is in the best interest of the Parish.

(Ord. No. 4036, 03/27/07; Ord. No. 4634, 09/22/09)

SECTION 2 TIMESHEET SUBMISSION POLICY

- 2.1 The purpose of this policy is to adhere to a request by the Legislative Auditor proceeding the 2001 Audit. The following policy has been enacted for the submittal of time sheets for Lafourche Parish Government employees. Consequently, the Lafourche Parish Government Time Sheet Submission Policy is effective immediately.
- 2.2 All time sheets are required to be signed by employees and forwarded to the immediate supervisor for approval, which shall include the supervisor's signature, before submitting time sheets to the pay roll department. It is first the employee's responsibility to ensure that the submitted hours are true and correct. Supervisors are to research the time sheet for correctness before approving the time sheet.
- 2.3 The only employees exempt from this policy are elected officials which includes the Parish President, Councilmen, Constables, and the Justices of the Peace. Therefore, all other employees and supervisors will have to abide by this policy with NO exceptions.
- 2.4 Any time sheets submitted without proper authorization or signatures will not be processed.

SECTION 3 FAMILY AND MEDICAL LEAVE

3.1 Purpose:

Lafourche Parish Government acknowledges that from time to time situations occur in employees' lives that require time away from work. It is the policy of Lafourche Parish Government to provide eligible employees unpaid leave of absences to attend to family and medical needs. Lafourche Parish Government intends at all times to comply with federal and state laws regarding family and medical leaves.

3.2 Family/Medical Leave of Absence:

Family/medical leave of absence is defined as an approved absence available to eligible employees for up to 12 weeks of unpaid leave per year for the birth of the employee's child; the placement of a child with the employee for adoption or foster care; for employee care of a child, spouse, or parent with a serious health condition; or for a serious health condition which makes the employee unable to perform the essential functions of his or her position.

3.3 Serious Health Condition Defined:

Lafourche Parish Government will grant leave for any condition defined as a serious health condition under the federal Family and Medical Leave Act and/or any applicable state law. In general, serious health conditions are conditions which require continuing medical treatment and which cause incapacitation for periods of three days or longer. Examples of serious health conditions include, without limitation:

- a. Heart conditions requiring heart bypass or valve operations
- b. Back conditions requiring extensive therapy or surgical procedures
- c. Severe respiratory conditions
- d. Appendicitis
- e. Emphysema
- f. Severe nervous disorders
- g. Injuries caused by serious accidents on or off the job
- h. Ongoing pregnancy, miscarriages, complications of illness related to pregnancy, such as severe morning sickness, the need for prenatal care, childbirth, and recovery from childbirth.

3.4 Eligibility Requirements:

1. To be eligible for family and medical leave under this policy, an employee must have 12 months with Lafourche Parish Government and must have worked at least 1,250 hours during the 12-month period prior to the commencement of the leave.
2. Medical leaves may be taken only for "serious health conditions." These leaves are not intended to cover short term conditions, such as minor illnesses that last only a few days and surgical procedures that typically involve no hospitalization and require only a brief recovery period.
3. Lafourche Parish Government reserves the right to deny requests for a family and medical leave where such a denial would be appropriate and authorized under federal law and any applicable state law.

3.5 Conditions for the Taking the Leave:

1. When the need for a leave is foreseeable, an employee is to provide Lafourche Parish Government with at least 30 days' notice. Where the need for the leave is either unforeseeable or where it is impossible for the employee to provide 30 days' notice, he or she is to provide as much notice as practicable.

2. In situations involving serious health conditions, the employee is to work with Lafourche Parish Government to schedule the leave in a way to avoid disruption of Lafourche Parish Government's operations as much as possible.
3. The length of any requested leave of absence will be determined initially by Lafourche Parish Government and modified by it as necessary during the leave. Leaves for the birth or adoption of a child, or a serious health condition affecting the employee, spouse, child, or parent will be determined in conjunction with competent medical advice, and in compliance with applicable law.

3.6 Procedure:

1. Consistent with law, and as necessary in Lafourche Parish Government's estimation, employees are required to use their accrued sick leave or annual leave prior to taking an unpaid leave of absence for any of the reasons cited above. Use of accrued sick or annual leave will run concurrently with FMLA leave and is not in addition to the twelve (12) weeks of leave under this policy. For example, an employee with six (6) weeks of accrued sick leave must exhaust those 6 weeks first, and may then be eligible for an additional 6 weeks, (not an additional 12 weeks) of unpaid leave under this policy.
2. Lafourche Parish Government will require medical certification to support a claim for leave for an employee's own serious health condition or to care for a seriously ill child, spouse, or parent. For the employee's own medical leave, the certification must include the reason why the employee is unable to perform the essential functions of his or her position. For leave to care for a seriously ill child, spouse, or parent, the certification must include the reason why alternatives to the employee's absence are not possible, such as care by others, and as definite an estimate as possible of the amount of time the employee is needed to provide care. Additional medical opinions may be required consistent with law. Lafourche Parish Government will pay for any such additional opinions.
3. During the leave, Lafourche Parish Government will require an employee to submit, once a month, documentation and other information regarding the current status of the reasons for the leave, including the employee's health care provider's best estimate of the expected return from the leave.
4. If medically necessary for a serious health condition of the employee or his/her spouse, child, or parent, 12 weeks of the unpaid leave may be taken on an intermittent or reduced leave schedule. If requested on this basis, however, Lafourche Parish Government may require the employee to transfer temporarily to an alternative position that better accommodates recurring periods of absence, or a part-time schedule, provided that the position has equivalent pay and benefits (on a per hour) basis.
5. Spouses both employed by Lafourche Parish Government are entitled to a total of 12 weeks of leave (rather than 12 weeks each) for the birth or adoption of a child or for the care of a sick child or parent.

3.7 Benefit Continuation:

1. Lafourche Parish Government will continue an employee's health plan benefits during the leave, so long as he or she pays the regular contribution toward his or her portion of benefit premiums. But an employee needs to make the necessary arrangements with the appropriate payroll representative prior to leave commencement. Failure to make these contributions will cause discontinuation of the particular benefit coverage in question.
2. Any employee not returning to work upon the completion of their 12-weeks of FMLA leave will be placed on Cobra continuation of health care coverage according to the Cobra guidelines. If an employee chooses to resign his or her position, he or she will be eligible to continue their health coverage through Cobra for the remaining months of the qualifying eligibility period under the Cobra guidelines.

3.8 Restoration to Former or Equivalent Position:

1. Upon return to work from a requested leave, Lafourche Parish Government will make every effort to place an employee in his or her former position or a position equivalent to the one held when the employee began the leave, subject to any extenuating circumstances which may occur to Lafourche Parish Government's operations during the leave and which would have affected the employee had he or she not been on leave.
2. Upon return from the leave, Lafourche Parish Government will reinstate the employee's credited service and other aspects of employment consistent with the law. If an employee works at another job during the leave without prior written approval by Lafourche Parish Government, Lafourche Parish Government will assume that the employee has resigned his or her position and terminate the employee's employment. Similarly, if an employee fails to return from a leave on the agreed upon date, except for reasons beyond his or her control, Lafourche Parish Government will assume that the employee resigned and terminate the employee's employment.

3.9 Intent to Fully Comply With All State or Local Leave Laws:

1. To the extent that any state or local law contains leave requirements which differ in any way from those stated in this policy, Lafourche Parish Government will satisfy the federal, state, or local requirements.

SECTION 4 CRISIS LEAVE POLICY

4.1 Purpose:

The intent of the Crisis Leave Program is to provide paid leave to an eligible employee who has encountered a catastrophic illness or injury to themselves or eligible family member. The Crisis Leave Program will assist employees who do not have sufficient paid sick or annual leave to endure the crisis leave period.

4.2 Definitions:

1. Catastrophic Injury or Illness – a severe condition(s) that:
 - a. Alters the health, either physical or mental, of an employee or the employee's eligible family member; and
 - b. Necessitates the services of a licensed medical service provider for an extended amount of time; and
 - c. Prohibits the employee from executing his/her job functions for an interval of ten or more consecutive days and requires the employee to expend all forms of paid leave.
2. Crisis Leave Committee – The Committee shall be comprised of the Civil Service Board or appointed designee. The Committee shall serve to sustain the administration of the Crisis Leave Pool and analyze the pool and program practices incorporated by the Pool Manager. When otherwise unspecified in written policy, the Committee may prescribe procedural specifications and operations for the Crisis Leave Program.
3. Eligible employee – a classified or unclassified employee of the Lafourche Parish Government who has attained permanent status.

5. Leave Pool Manager – The Civil Service Director or designee shall serve as the Leave Pool Manager
6. Licensed Medical Service Provider (LMSP) – As defined in the Louisiana State Licensing Law, a practitioner who is practicing within the perimeter of his/her license. For the purposes of this policy, a LMSP will include licensed Physicians or Medical Doctors, Doctors of Osteopathy (DO), or licensed Therapists, Counselors, or Chiropractors as accredited and sanctioned by State Boards or administrators.

4.3 Eligibility Requirements:

1. If the following conditions are met, an eligible employee may apply for crisis leave:
 - a. A catastrophic illness or injury is endured by the employee or employee's eligible family member; and
 - b. The employee has depleted all forms of paid leave; and
 - c. The employee has exhausted all means of disability insurance; and
 - d. Regarding past performance, the employee has displayed satisfactory attendance and has no record of abusing leave; and the employee is not eligible for worker's compensation due to the injury or illness being work-related. Additionally, the employee was not injured during the course of a crime or felony; and the necessary documentation has been obtained from the LMSP.
1. It is not required that employees contribute to the Crisis Leave Pool to be eligible for crisis leave.
2. The amount of crisis leave awarded will be decided on a case-by-case basis. Generally, the amount of leave awarded will coincide with the suggestions of the LMSP, adhering to the following limits:
 - a. During one calendar year, an employee may request a maximum of 240 hours.
 - b. Crisis leave will not be granted to an individual to extend the paid leave status beyond a total period of 12 weeks.
 - c. The total amount of leave awarded shall not exceed one-fourth of the balance of hours in the leave pool at the time of the request.
 - d. The value of the annual leave approved during the crisis situation shall not exceed 75% of the employee's pay obtained during a normal workweek.

4.4 Donation Procedures:

1. Contributing time to the Crisis Leave Pool is voluntary; therefore, no employee shall be obligated or forced to donate time. Donations are accumulated in the pool and are granted in the order in which the requests are received. Since the donations are accumulated over time, donors cannot specify who will be the recipient of the leave. Donations shall be confined to the subsequent provisions:
 - a. A minimum of eight hours may be contributed into the pool utilizing whole hour segments.
 - b. A minimum balance of 120 leave hours must remain in the donor's account after the contribution to the pool.

- c. Donations may not surpass 240 hours of leave per calendar year per employee.
 - d. Upon separation or retirement, any remaining leave may be contributed to the pool.
2. In order to donate time to the pool, the employee must complete a leave form and indicate the leave as a “Donation to the Crisis Leave Pool”. The form should be turned in to the Civil Service Department who shall then forward the form to the Human Resources Department.

4.5 Request Procedures:

1. In order to request time from the leave pool, an employee must complete a “Crisis Leave Request Form”. The form should be turned in to the Civil Service Department for presentation to the Committee and consideration. The request must be accompanied by a statement from the employee’s LMSP. This statement must include:
 - a. Initial date on which the illness or injury transpired; and
 - b. Detailed account of the illness or injury, including any solicited information that would assist in the eligibility determination process; and
 - c. If the request is for an employee, a prognosis; and
 - d. Anticipated date that employee will be able to return to work; and
 - e. Documentation as requested by the Leave Pool Manager to establish eligibility of a family member.
2. The request and supplemental documentation should be presented to the Leave Pool Manager. The Pool Manager shall review the request to verify that the employee is suitable to obtain crisis leave. The employee requesting such leave must submit the information needed to determine eligibility.
3. All requests and documentation must be considered confidential. To ensure confidentiality, all requests for crisis leave and accompanying documentation should be submitted in an envelope identified as “confidential”. All requests are to be directed to the Leave Pool Manager to determine eligibility.
4. The Leave Pool Manager shall stamp all requests with the date upon which received. Requests will be addressed in the order in which they are obtained. A request shall be submitted in a timely fashion and will not be considered if 30 days has lapsed since the incident occurred. The Leave Pool Manager will be allowed a ten-day grace period to approve or deny the request. Once a decision is made, the Pool Manager will discuss the results with the employee.
5. If the request is approved, the employee’s leave record will be credited the authorized amount.
6. Crisis leave shall be used and documented in agreement with the same procedures as any other form of paid leave.

4.6 Changes in Status Affecting Crisis Leave:

1. Crisis leave shall be granted to cover the circumstances that are applied for. If other variations should occur, the employee must furnish documentation specifying the nature of the change to the Leave Pool Manager. The employee may petition for additional crisis leave; however, continuation of the crisis leave is not automatically granted. Each extension shall be approved in the order in which it was received.
2. Hours awarded from the Crisis Leave Pool shall be utilized for conditions specified in the authorized request. Any use of the Crisis Leave Pool that is not in agreement with operations and provisions defined in this policy may constitute payroll fraud and shall be dealt with in a serious and appropriate manner.
3. In the event that an employee is capable of returning to work before all of the time granted is used, the unused leave must be returned to the Crisis Leave Pool.

4.7 Compensation and Benefits:

1. Crisis leave will be compensated according to the receiving employee's pay rate.
2. An employee on crisis leave will continue to receive benefits accordingly, which will include the accrual of annual and sick leave. However, accrued leave must be exhausted before crisis leave is issued.
3. The Human Resources Department will retain reports on crisis leave contributed and utilized based on the dollar value.

4.8 Appeals:

1. The Leave Pool Manager maintains the authority to approve or deny any request for crisis leave. This decision is to be considered final; therefore, it is not subject to appeal.

CHAPTER V

LEAVES OF ABSENCES

SECTION 1 **DISABILITY LEAVE – WORK RELATED**

- 1.1 If and when the disability of an employee is of the nature that he or she is entitled to payments under any Worker's Compensation Insurance, the employee will be paid in accordance with the Worker's Compensation laws in effect at the time of the disability.
- 1.2 Employees are entitled to receive workers compensation payment benefits after missing seven (7) days because of a **reported** job related injury or illness.
- 1.3 **For work related injury or illness only**, an employee will be given the option to choose sick leave, annual leave, or leave without pay as it best fits their personal needs or wants for the first seven days following a **reported** work related injury or illness.
- 1.4 Any employee of the LPG who has had an accident or injury on the job and draws benefits under the Worker's Compensation laws shall continue to receive group insurance coverage for him or herself and will be required to submit employee's share of premiums for insurance benefits for a period of six months following the injury. At the end of six months, the employee will be placed on inactive status and offered COBRA benefits. If the employee has not returned to Active Status within one year, employment will be terminated.
- 1.5 Every attempt shall be made to place that employee who has the on-the-job injury back into his or her former position, or if not into the original position, if no longer in existence, in another at a similar level of responsibility and pay as soon as such position is available. In the event the attending physician has issued a back-to-work authorization and a position is available, and the employee fails to report to work, automatic termination of employment will occur.

SECTION 2 **DISABILITY LEAVE – NON-WORK RELATED**

- 2.1 When the injury or illness of a disabled employee is non-work related, the employee will be asked to apply for leave under the Family Medical Leave Act, which entitles him or her to twelve weeks of job protected leave and continued coverage for group health. Employee will be required to submit employee's share of premiums for insurance benefits during the twelve week period. At the end of the twelve-week period of FMLA leave, the employee will be placed on Inactive Status and offered COBRA benefits. Any employee who has not returned to work within one year from the last day of pay will be terminated unless disability meets eligibility criteria under the American with Disabilities Act (ADA).

SECTION 3 REPLACING DISABLED WORKERS

- 3.1 For both work-related and non-work related absences, any time the supervisor and the Human Resources Director have reason to believe that the employee will be away for an extended period of time, the position will be filled. If the employee returns within a year, he or she will return (if able) to the former position, or one of comparable nature. If budget constraints exist, a reduction in workforce may occur. In the event of such a reduction, the employee shall be provided a written notice no less than sixty (60) days prior to the reduction.

SECTION 4 REASONABLE ACCOMMODATION

- 4.1 The LPG will strive to accommodate an employee returning from illness or injury by use of modified duty, restricted work, gradual re-acclimation or temporary assignments. Continued communication between supervisor and physician is necessary to the success of such a program. A job analysis defining the physical demands of an established position shall be completed by the Human Resources Department in order to aid the physician and supervisor in the correct placement of a returning employee under the guidelines and constrictions of the HIPPA privacy act.
- 4.2 Every attempt shall be made to place that employee who has the on-the-job injury back into his or her former position, or if not into the original position, if no longer in existence, in another at a similar level of responsibility and pay as soon as such position is available. In the event the attending physician has issued a back-to-work authorization and a position is available, and the employee fails to report to work, automatic termination of employment will occur.

CHAPTER VI

PAYROLL, DEDUCTIONS AND BENEFITS

SECTION 1 PAY PERIOD

- 1.1 LPG employees are paid by check bi-weekly. If a holiday falls on the scheduled payday, checks are to be issued on the preceding work day. There are 26 pay periods per year and checks are issued one week after the end of a pay period.

SECTION 2 DEDUCTIONS AND BENEFITS

- 2.1 Certain deductions are made from the salary check as required by the employee benefit plans, or as requested by the employee. These deductions are itemized on the employee's pay statement, which accompanies the bi-weekly paycheck. Deductions may include any of the following:
- a. Social Security - Federal law requires all employees not enrolled in a state retirement system to contribute a part of their income for social security benefits.
 - b. Income Taxes – The federal and state governments require that taxes be withheld from all salary payments. The amount of tax to be withheld is determined from tables furnished by the Treasury Department, and it varies according to the amount of salary and number of dependency exemptions. Employees are required to complete withholding tax forms upon initial employment (the W-4) and to inform the Human Resources Department of any dependency change whenever such a change occurs.
 - c. Group Health Coverage – Employee and dependent coverage is available to permanent, full-time employees; consistent with the current plan.
