ROAD AND DRAINAGE MAINTENANCE AGREEMENT

A FAMILY SUBDIVISION

Approved by the Lafourche Parish Planning Commission on \_\_\_\_\_.

The parties did further declare and acknowledge that there exists a servitude of passage and/or right of ingress and egress as well as drainage over said tract and/or the adjacent and contiguous tracts. The parties did further declare and acknowledge that for and in consideration of the mutual benefits and advantages to be derived thereby, the parties agree that any drainage as well as any and all right of ingress and egress is and shall remain private among the landowner(s) and that they will each permit and assist in the maintenance and costs of the servitude(s) of ingress and egress as well as any and all drainage thereon in perpetuity. Appearers did further acknowledge and declare that they do, by this act, hold the Lafourche Parish Government harmless ( including, but not limited to, attorney’s fees and costs) from any and all liability and responsibility with regard to the right of ingress and egress as well as all drainage. In accordance herewith, the herein named owners agree to maintain any and all drainage and roadway/access and/or any other servitude, drainage and right of ingress and egress by making the necessary repairs and/or improvements, and that each will take the responsibility for same and will obligate themselves to maintain the road/servitude not only for the safety of their homes and property, but also for all who travel same, so that its condition will not prevent emergency vehicles such as ambulance, fire trucks and police vehicles from entering and existing safely. It shall be each of the owner(s) responsibility, jointly, severally and in solido, for upkeep, surfacing, and so forth of said road/servitude, and upkeep for any drainage upon the property, and the Lafourche Parish Government will not be liable for maintenance and/or improvements made to this road or for any drainage upon the property.

The foregoing agreement shall run with the land and shall be deemed to be for the benefit of the land of each of the Lot owner(s) and each and every person who shall at any time own all or any portion of the property referred to herein.

No change of ownership or title shall be construed or interpreted to transfer liability to the Lafourche Parish Government for responsibility or maintenance of any road or drainage servitude.

The parties further authorize and direct the Clerk of Court of Lafourche Parish, Louisiana, to make an inscription on said plat with regard to this Agreement.

**THUS DONE AND SIGNED** in my office in the Parish of Lafourche, State of Louisiana on this \_\_\_\_\_ day of \_\_\_\_\_, 20 \_\_\_\_ and at the terms hereinafter indicated by each of the parties after a due reading of the whole.
